INDEPENDENT AUDITOR’S REPORT

To,
The Members of
HPCL Biofuels Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of the HPCL Biofuels Limited, which comprise the Balance Sheet as at 31st March, 2016 and the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information. Our earlier report dated 12th May, 2016 (issued in supersession of our report dated 3rd May, 2016, which was withdrawn, primarily, to accommodate inclusion of report on revised sub-directions issued under section 143(5) of the Companies Act, 2013) on these financial statements stands withdrawn for inclusion of our report on Internal Financial Controls under Clause (j) of Sub-section 3 of Section 143 of the Companies Act, 2013 in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting of the Institute of Chartered Accountants of India and for withdrawing our comments on this matter as contained in earlier report.

Management’s Responsibility for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company’s preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company’s Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its loss and its cash flows for the year ended on that date.

**Emphasis of Matter**

Your attention is hereby drawn to Note No.- 50 [relating to Provision for Gain/(Loss) on Inventory Variation] of the financial statements. The reasons of such variations is stated to be errors in recording of manufacturing details in production records and the same relates to the period relevant to season 2013-14. However, considering that the said variation has been disclosed as exceptional item in the statement of profit and loss, our opinion is not qualified in this matter.

Our test checks of the methods and procedures leading to valuations of consumption of stores and closing stock of stores have revealed limitations of the electronic records maintained by the Company in this regard. Also, the Company has not identified slow-moving/non-moving/obsolete items in stock of stores. Considering these, a provision of Rs. 20,00,000/- has been created by the Company to offset the possible impact [Note No. 50 of the Financial Statements]. Our opinion is not qualified in this matter.
Your attention is also hereby drawn to Note No. 58 relating to non-appointment of independent/women director to the Board of the Company as required by the Companies Act, 2013. These financial statements have, thus, been reviewed and approved by the Audit Committee and the Board not constituted as per requirements of the Companies Act, 2013. Our opinion is not qualified in this matter.

Report on Other Legal and Regulatory Matters

As required by the Companies (Auditor’s Report) Order, 2016, issued by the Central Government of India in terms of section 143 (11) of the Companies Act, 2013 and in terms of the information and explanations given to us and also on the basis of such checks as we considered appropriate, we enclose in Annexure-1 a statement on the matters specified in paragraphs 3 & 4 of the said order.

Our report on matters covered by directions and sub-directions issued by the Comptroller and Auditor General of India issued under section 143(5) of the Companies Act, 2013, to the extent applicable, is enclosed in Annexure-2.

As required by section 143(3)(i) of the Act, we enclosed in Annexure-3 our report on matters contained therein.

As required by Section 143 (3) of the Act, we report that:
(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with in this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(e) We have been informed by means of a certificate from the Company Secretary of the Company that none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
   i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 53 to the financial statements;
   ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE-1 TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE
STANDALONE FINANCIAL STATEMENTS OF HPCL BIOFUELS LIMITED:

Report on matters covered under Companies (Auditor’s Report) Order, 2016, as referred to under “Report on Other Legal and Regulatory Matters” paragraph of our report of even date on standalone financial statements of HPCL Biofuels Limited for the year ended on 31st March, 2016

(i) 
(a) The company has maintained proper records of fixed assets showing full particulars including quantitative details and situation of fixed assets.

(b) Physical verification of these fixed assets has been conducted during the year, the periodicity of which appears reasonable. No material discrepancy was reportedly noticed on such physical verification.

(c) The title deeds of immovable properties are held in the name of the company.

(ii) Physical verification of inventory has been conducted by the management during the year, the periodicity of which appears reasonable. Material discrepancies have been noticed which have been provided for during the year awaiting proper authorization for its proper dealing in the books of account.

(iii) According to the information and explanation given to us, the company has not granted any loan, secured or unsecured, to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013.

(iv) The Company has not undertaken any transaction in respect of loans, investments, guarantees, and security whether provisions of section 185 and 186 of the Companies Act, 2013 are attracted.

(v) In our opinion and according to the information and explanations given to us, the company has not accepted any deposits from the public.

(vi) We have broadly reviewed the books of account relating to material, labour and other items of cost maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013 and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained.

(vii) (a) On the basis of our examination of the records and according to the information and explanations given to us, the company is generally regular in depositing undisputed statutory dues including provident fund, employees’ state insurance, income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with appropriate authorities. There is no arrear of undisputed statutory dues as on the last day of the financial year which was outstanding for a period of more than 6 months from the date the same became payable.

(b) According to the information and explanations given to us, the following amounts have not been deposited on account of any dispute:

<table>
<thead>
<tr>

ANNEXURE-3 TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF HPCL BIOFUELS LIMITED:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of HPCL Biofuels Limited (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls
The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility
Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Qualified opinion**

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2016:

a) The Company’s internal control system over maintenance of electronic records for inventory of stores with regard to their receipts, issue for production, physical verification and reconciliation with financial books were not operating effectively which could potentially result in material misstatements in the Company’s consumption and inventory account balances.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2016, based on the internal control over financial reporting.
criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 standalone financial statements of the Company, and these material weaknesses do not affect our opinion on the standalone financial statements of the Company.

27 MAY 2016
NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR 2015-16

1. CORPORATE INFORMATION

The Company has been formed as a wholly owned subsidiary of M/s Hindustan Petroleum Corporation, a Public Sector undertaking, as a backward integration initiative. The Company had taken over two of the closed sugar mills of Bihar State Sugar Corporation at Sugauli in East Champaran and Lauriya in West Champaran in the state of Bihar. The company is engaged in the business of manufacturing sugar and ethanol from crushing of sugarcane and generation of power from the bagasse generated in the process. Both the units of the company were commissioned during the financial year 2011-12.

2. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

A. Preparation of Financial Statements

The financial statements are prepared under historical cost convention and on accounting principles of going concern in accordance with Generally Accepted Accounting Principles (GAAP), Accounting Standards referred to in the Companies (Accounts) Rule, 2014 issued by the Central Government and the relevant provisions of the Companies Act, 2013. Presentation and Disclosure of Financial Statements is done in accordance with Revised Schedule III to the Companies Act 2013. All income and expenditure having material bearing are recognized on accrual basis, except where otherwise stated. Necessary estimates and assumption of income and expenditure are made during the reporting period and difference between the actual and the estimates are recognized in the period in which the results materialize.

B. Fixed Assets

1. Land acquired on lease for 99 years or more is treated as freehold land. Land acquired for less than 99 years is treated as lease hold land.

2. Fixed Assets are carried at cost less accumulated depreciation.

C. Intangible Assets

1. Costs incurred on technical know-how/license fee relating to process designs/plants/facilities are capitalized as Intangible Assets.
2. Cost of Software directly identified with hardware is capitalized along with the cost of hardware. Application software is capitalized as Intangible Asset.

3. Intangible Assets are amortized on a straight line basis over the useful life of the parent asset.

D. Construction Period Expenses

Expenditure directly or indirectly related with the project, during construction period, start-up and commissioning of the project are capitalized. Pre-operative expenses have been capitalized up to the date of commencement of commercial production as provided in AS 10.

E. Depreciation

1. Depreciation on Fixed Assets is provided on the Straight Line method on the basis of useful life determined, in the manner and at the rates calculated based on the useful life recommended under Schedule II to the Companies Act, 2013 and is charged pro rata on a daily basis on assets, from/up to and inclusive of the month of capitalization/sale, disposal or deletion during the year. In case of restatement of carrying value of any asset due to any price adjustments warranted due to receipt of government grants, the depreciation on revised unamortised depreciable amount is charged prospectively over the residual useful life of the asset. Residual value has been considered at 5%.

2. Premium on leasehold land is amortized over the period of lease. The lease rent is charged in the respective year.

3. Machinery Spares, which can be used only in connection with an item of fixed asset and the use of which is expected to be irregular, are depreciated over a period not exceeding the useful life of the principal item of fixed asset.

4. Intangible assets of the nature of software are being depreciated over the useful life of the related computer systems/servers.

F. Impairment of Assets

At each balance sheet date, an assessment is made of whether there is any indication of impairment. An impairment loss is recognized whenever the carrying amount of assets of cash generating units (CGU) exceeds their recoverable amount.
G. Provisions, Contingent Liabilities and Contingent Assets

1. A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

2. No provision is recognized for:

✓ Any obligation that may arise from past events but the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company.
✓ Any obligation that may arise from past events but is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation.
✓ Any obligation, the reliable estimate of which cannot be made.

However such obligations are recorded as contingent liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

3. Contingent Assets are not recognized in the financial statements as this may result in the recognition of income that may never be realized.

H. Taxes on Income

2. Deferred tax on account of timing difference between taxable and accounting income is provided by using tax rates and tax laws enacted or substantively enacted as at the balance sheet date.

I. Employee Retirement Benefits

1. In respect of provident fund, the contribution for the period is recognized as expenses and charged to Profit & Loss Account.
2. Provision for Gratuity is made based on the actuarial valuation and the difference in the provision required at year end is charged to the Profit & Loss Account. The provision is calculated using Projected Unit Credit Method which is also recommended under AS-15.

3. Provision for Leave Encashment is made based on the actuarial valuation and the difference in the provision required at year end is charged to the Profit & Loss Account. The provision is calculated using Projected Unit Credit Method which is also recommended under AS-15.

J. Inventory Cost

1. Finished goods are valued at cost on FIFO basis or net realizable value whichever is lower. Cost includes Material Cost, Conversion cost and other cost incurred to bring the inventory to its present condition and location. Absolute Alcohol has been considered as finished product as it meets all specs of ethanol.

2. Work In Progress is valued at lower of cost or estimated realizable value. Cost includes Material Cost & conversion cost as applicable.

3. Byproducts are valued at estimated realizable value.

4. Stock in trade is valued at cost on weighted average basis or net realizable value whichever is lower.

5. Stocks of stores are valued at cost on weighted average cost.

K. Revenue Recognition

1. Revenue from sales of sugar is recognized at the point when sale transaction is complete. The value of sales is taken at gross value including excise duty. Value relative to excise duty is also recorded separately for presentation in financial statements. Entry for sugar cess, if applicable, is done in the same manner as the excise duty.

2. Revenue from sales of power is recognized at the point when billing is done and is recorded at billing value.

3. Revenue from sales of ethanol is recognized at the time when the consignment is handed over to the transporter. The value of sales is taken at gross value including excise duty and transportation. Value relative to excise duty is also recorded separately for presentation in financial statements. Value relative to VAT / CST and import / export fees are recorded separately, but not grossed up in sales.
L. Cash Flow Statement

The cash flow statement is prepared by indirect method set out in AS 3 on cash flow statements and presents the cash flows by operating, investing & financing activities of the company. Cash & cash equivalent presented in the cash flow statement consist of balance in the Bank account and cash in hand.

M. Excise Duty

Liability for excise duty in respect of goods produced by the company is accounted upon clearance and provision is made for excisable manufactured goods lying in stock as on the balance sheet date.

N. Deferred Tax Assets / Deferred Tax Liabilities

Deferred Tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred Tax is recognised at the Balance Sheet date, subject to the considerations of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Unabsorbed depreciation and carry forward of losses during the year which can be set off against future taxable income are also considered as timing differences and result in deferred tax assets, subject to consideration of prudence. Deferred Tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such Deferred Tax assets can be realised. However, deferred tax assets originating due to unabsorbed depreciation or carry forward of losses under tax laws are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available for their realization.

35. Segment Reporting

Company deals in the manufacturing and sales of Sugar, Ethanol and generation of Power. Business segment has been taken as Primary Segment as three products are subject to different risks and rewards. There is no geographical segment as both the units operate in same location and business environment.

Other Disclosures:
2. Segments have been identified in line with the Accounting Standard - 17 "Segment Reporting" taking into account the organisation structure as well as differing risks and returns.
3. The Segment revenue, results, assets and liabilities include respective amounts identifiable to each of the segment and amounts allocated on reasonable basis.
4. The segment performance has been worked out after attributing the realisable value of inter segment transfer of material.
5. Segment assets and liabilities represents assets and liabilities in respective segment. Assets and liabilities that cannot be allocated to segment on reasonable basis have been disclosed as unallocated.
6. Previous year figures have been regrouped/reclassified wherever necessary.
36. Lease Hold Land

Leasehold Land is being amortized over a period of 60 years on SLM. Amortization value corresponding to pre-capitalization period has been capitalized. Rs.15,044,688/- being amortization for the year 2015-16 (Rs. 15,044,688/- for 2014-15) is being charged to Statement of Profit & Loss. The details of leasehold land (location wise) is as follows:

38. Excise Claim with GOB

Claim has been lodged with Government of Bihar for Reimbursement of excise duty on sugar sales. Considering the significant uncertainty over its realization, it would be accounted on receipt of the amount from GoB.

39. Consumption of Raw Materials

Consumption of bagasse generated from production is valued at ‘nil’ rate.

40. SLDC

SLDC charges or charges towards State Load Despatch Centre have been mentioned in the PPA with BSEB but SLDC in Bihar is yet to be established. Hence there has been no demand for SLDC charges and no provision has been made in this regard.
41. Cane Development Expenditure

Cane development expenditure is net of sale of seeds and fertilizers to the farmers of cane command area and own farm production of Sugauli & Lauriya Unit.

42. Renewable Energy Certificates

RECs earned for the captive consumption of power generated from renewable sources are not valued as stock on hand on the Balance Sheet dates, since the cost of obtaining them is very negligible and their realization is not certain. The income from the sale of RECs is accounted as revenue in the year of sales. The RECs on hand on 31st March 2016 was 18,666 units (PY 13,738 units) and their value at the floor price of Rs.1,500/- stood at Rs. 27,999,000/- (PY Rs. 20,607,000/-).

43. Micro, Small & Medium Creditors

The company has no sundry creditors falling under the Micro, Small & Medium Enterprises Development Act 2006.

44. Accounting of Cane Subsidy

Considering the difficult financial condition of the sugar mills, state governments are continuing the subsidy in the current year and are likely to extend similar support in the future years too. Hence the subsidy for has been shown as ‘Other Operating Income’ under the head Revenue from Operations.

45. CENVAT / Input Tax Credit:

The CENVAT credit available for set-off against liability for excise duty has been shown separately from provisions made for excise duty against inventory and have not been netted off against each other. The unadjusted CENVAT / ITC credit is shown under the head Short Term Loans and Advances to the extent of expected clearance in the next 12 months and the balance is shown under the head Long Term Loans and Advances. Provision for excise duty on closing stock is shown under the head Other Current Liability.

CENVAT credit utilized during the year on sale of ethanol and sugar is Rs. 57072977/- (Rs. 97,668,684/- in 2014-15) and Input Tax credit utilized on sale of ethanol is Rs.Nil/- (Rs. 14,974,859 in 2014-15).

46. Secured Loan

As announced by Government of India, a soft loan of Rs.101,400,000 was availed through SBI with interest subvention to the extent of 10%. The amount is repayable at 12 months, ie in September 2016,
Soft loan from announced by Government of Bihar to the extent of Rs.164,800,000 cr was also availed through SBI with interest subvention to the extent of 10%. The loan carries a moratorium of one year and then repayable in five annual instalments.

Term loan of Rs.3,088,000,000/- is from State Bank of India who have granted a two year moratorium on repayment and a further 12 year repayment period. The loan is repayable in 48 structured instalments starting from end of Q2 of FY 2016-17 carrying interest @ base rate + 1.70% fixed spread. The Balance of Term loan as on 31.03.2016 was Rs. 3,088,000,000/- (as on 31.03.2015, Rs 3,088,003,607/-)

The term loan as well as the soft loans under GOI and GOB schemes are secured by equitable mortgage of Land, Building & Fixed Assets.

Working capital loan is from State Bank of India with interest @ base rate + 1.25% fixed spread, where the limit was increased from Rs.700,000,000 to Rs.1,000,000,000 during the year. The working capital loan is secured by hypothecation of Stocks & Debtors of the company. The Working Capital Loan balance as on 31.03.2016 was Rs. 93,78,72,469/- (Rs. 641,832,431/- as on 31.03.2015)

47. **Unsecured loan**

During the year, an unsecured bridge loan of Rs.84 Cr has been obtained from the holding company to meet the requirements of payment to cane growers and other working capital requirements. The loan carries interest at the average cost of capital of the holding company and is repayable in 10 quarterly instalments starting from 30th June 2017.

48. **Provision for Gratuity & Leave Encashment**

Provision for gratuity of Rs. 5,600,691/- (PY- Rs. 4,190,171/-) has been made towards Retirement benefits for employees during the year based on Actuarial Valuation as of 31.3.2016. Provision for Leave Encashment of Rs. 1,399,508/- (PY – Rs. 1,435,299) has been made based on Actuarial Valuation as of 31.03.2016.

49. **Provision for Income Tax**

As company has incurred losses during the current financial year, no provision for income tax has been made.

50. **Provision for inventory variation**

A reversal of net provision of Rs.8,700,664 relating to differences observed in physical verification of inventory during financial year 2013-14 was made during the previous year. During this year, the company has conducted regular monthly inventory
verification. As a result, inventory variation to the extent of Rs.(69,57,800) has been observed which has been provided for on 31st March 2016. It was found that these errors have cropped up due to mistake in recording of manufacturing details in production records and the same relates to the period relevant to season 2013-14. The said variation shall be dealt with properly after obtaining appropriate approvals.

Another provision of Rs. 20,00,000/= (Pr. Year Nil) has been created this year to offset the diminution in value of stock of slow-moving/non-moving stores.

51. **Penalty Recovered & Kept as Retention Money.**

An amount of Rs.151,416,403/-was recovered through encashment of Bank Guarantees from one of the EPCC contractors. Out of this Rs.119,700,000/- is towards penalty for shortfall in performance and Rs.31,716,403/-is towards additional retention against defective supplies. The contractor had invoked the Arbitration Clause and the Arbitrator has since been appointed. Hence this amount has been accounted as retention money in 'Payable to Contractor / Vendor (Capital Assets)' in Other Current Liabilities (Note no 10). While Arbitration proceedings were in progress the party wanted an out court settlement. After series of discussions, there had been a mutual agreement on the issues and the amounts, which have been laid before the Arbitrator. Depending on the award being passed in the matter, necessary actions would be taken.

52. **Liquidated Damages.**

Liquidated Damages recovered from some vendors have not been taken to income, pending approval of the Board in the matter.
53. **Remaining Contracts/Contingent Liabilities & Management Remuneration etc.**

</table>

i. Power export and import figures are as per joint meter reading with Bihar State Electricity Board as provided in Power Purchase Agreement.

ii. Generation, consumption and captive consumption figures are as per company meter

iii. The figure stated as energy loss is a derived figure.

58. Independent Directors

In terms of the provisions of the Companies Act, 2013 the number of Independent Directors in the Board is required to be two (including a woman director) but at present there are no independent directors on the Board. The Company has approached the administrative ministry for appointment of requisite number of Directors for compliance of the provisions of the Companies Act, 2013 and the same is awaited. Pending such appointment, the financial results have been reviewed and recommended to the Board by the Audit Committee consisting of no Independent Director.

59. Statement of change in Equity

Section 2(40) of the Companies Act 2013 states that Financial Statement in relation to a company, includes inter alia, a statement of changes in equity, if applicable. There had been no increase or decrease in the equity or preference share capital of the company during the year and all other information required by Schedule III of the Companies Act 2013 has been disclosed in note 3 relating to the Share Capital. As the format for the statement of change in equity has not yet been prescribed by the Act, the same has not been prepared but all the relevant information is covered by the disclosure in the note 3 as abovementioned.
