

HP CORRMIT W 2.0

Corrosion Inhibitor for White Oil Pipelines

Excellent Corrosion Protection & Superior Performance

Highly Compatible with Diesel, Gasoline, SKO & Naphtha

35% Lesser Dosage

100% Corrosion Inhibition

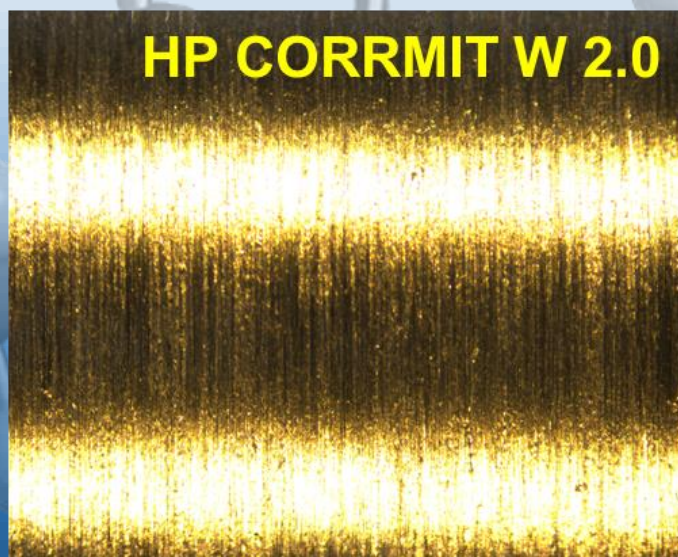

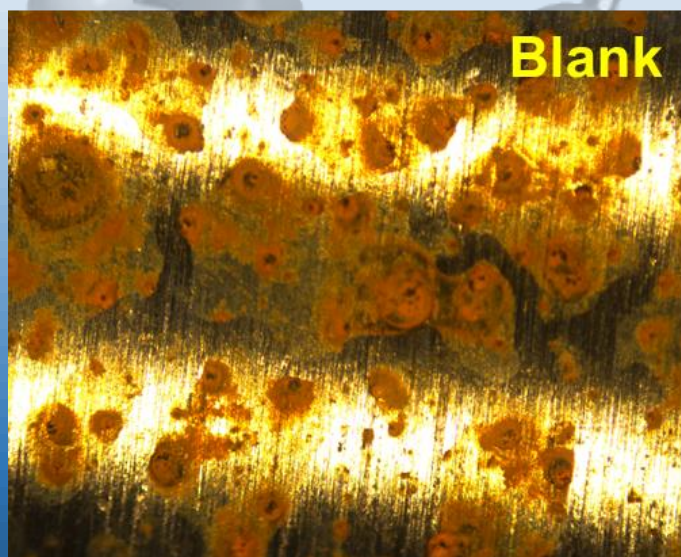

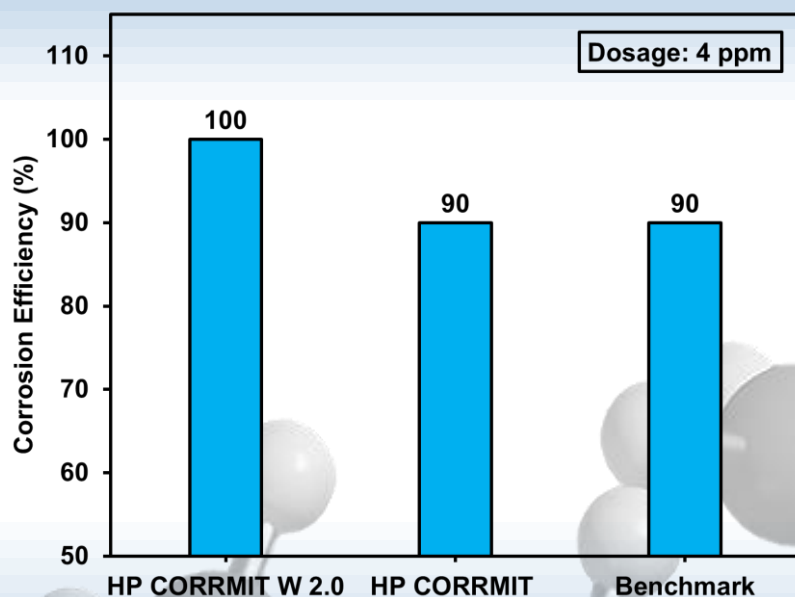

100% Import Substitution

15% Cost Effective

HP CORRMIT W 2.0

Corrosion Inhibitor for White Oil Pipelines

- ✓ Inhibits the corrosion in Diesel, Gasoline, SKO & Naphtha
- ✓ Lesser Viscosity and lower pourpoint
- ✓ Complies NACE TM 0172 standard test method

HP CORRMIT W 2.0

Long-lasting Protection, Easy Application

HPGRDC's Novel Corrosion Inhibitor for White Oil Pipelines

Delivering
Happiness
