

# HP NanoLite

## Nano-Additized Light Colored Grease

- In-house Developed Novel Light Colored Nano Additive for Grease
- Excellent Anti-wear, Anti-Friction Properties with Enhanced Performance
- Extreme Pressure Properties
- High Performance Additive for Greases

# HP NanoLite

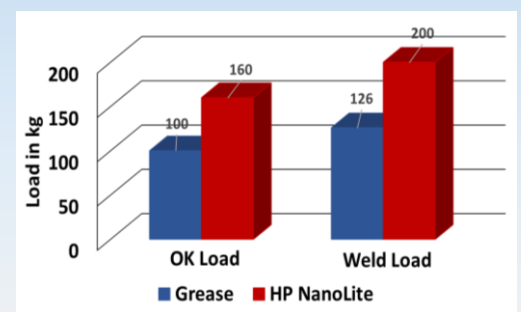

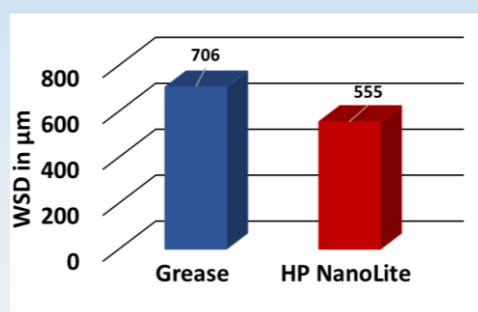

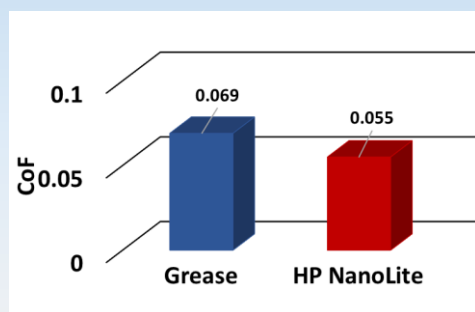

## Nano-Additized Light Colored Grease

### Advantages

- ❖ Compatible with all type of greases
- ❖ Cost effective

### Performance

- ❖ 20 % Reduction in CoF
- ❖ 20 % Reduction in WSD
- ❖ 60 % Enhancement in OK Load
- ❖ 60 % Enhancement in Weld Load
